01 -Company profile

ATLAS EXPRESS TRADING

Company Overview

Established in 1973, Atlas Express Trading has earned a distinguished reputation as a leading global supplier and trusted partner in the power products and engineering sectors. With nearly five decades of proven excellence, our legacy is built on delivering superior infrastructure materials—specializing in pipelines for Oil & Gas, Water & Sewage, and Drilling—as well as high-value contracting services.

Our core strength lies not only in supply, but in our ability to offer end-to-end solutions that meet the evolving demands of complex projects. We are deeply committed to quality, innovation, and operational excellence, consistently exceeding client expectations across every engagement.

At Atlas Express Trading, we take pride in being more than a supplier—we are a strategic project partner dedicated to driving success for our clients, from concept to completion.

02 -OUR SERVICES

Our Core Services:

1. Pipes & Fittings Supply

We are a trusted supplier of high-quality pipes and fittings tailored for the Oil & Gas, Water & Sewage, Firefighting, and Drilling sectors. Our products comply with the most stringent international standards, ensuring performance, durability, and safety.

2. Water & Electrical Network Equipment

We offer a comprehensive portfolio of water and electrical network equipment, designed to meet the complex demands of modern infrastructure. Our solutions support the successful delivery of critical utility projects across diverse environments.

3. Joint Venture Structuring for Tenders

Atlas Express Trading excels in forging strategic joint ventures aimed at securing major tenders. We align stakeholders to create mutually beneficial partnerships, maximizing collective strengths to win and execute high-value projects.

4. Global Contracting Services

Through our extensive network of partners and seasoned contractors, we deliver turnkey solutions in Building Construction, Civil & Marine Works, and Petroleum Contracting. Our operational flexibility allows us to perform effectively across all regions and terrains.

05 –PROJECT EXPERIENCE

Project Experience

At Atlas Express Trading, our project portfolio reflects a diverse and accomplished track record, with contract values ranging from \$1 million to over \$20 million across countries such as Jordan, Syria, Iraq, and Lebanon.

Regardless of scale, each project is executed with unwavering precision, strategic oversight, and an uncompromising commitment to excellence. Whether delivering a mid-scale supply contract or managing a multimillion-dollar infrastructure initiative, we apply the same level of rigor, attention to detail, and professional discipline.

Every assignment we undertake serves as a benchmark of our capabilities—demonstrating our ability to meet and exceed expectations while reinforcing our position as a trusted partner in both regional and international markets.

06 -GLOBAL PRESENCE

Global presence:

Recognized as a trusted global supplier and strategic dealer, Atlas Express Trading has successfully served leading companies across a diverse range of market sectors worldwide. Our extensive network of international partners and long-standing collaborations empower us to anticipate market dynamics, adapt swiftly to evolving industry demands, and consistently deliver exceptional value.

International contracting companies place their trust in Atlas Express Trading because we act not only as a supplier—but as a true representative and advocate for their interests. We leverage our full range of services, market expertise, and operational experience to support their success and ensure their competitive edge in complex, high-value projects. This deep-rooted trust is the foundation of our enduring global partnerships.
